

*Even if you're on the right track, standing  
still will eventually get you...*  
**RUNOVER!**

At T Bar we always strive to offer more. With that in mind we bring our years of knowledge and expertise in complete sale management to online auction sales. Our online auctions will be powered by

the electronic auction market  
**team**  
www.teamauctionsales.com

The Electronic Auction Market is an online, interactive marketplace bringing cattle buyers and sellers together through the power of the internet. TEAM is a real-time online auction site that has marketed more than 4,000,000 head of cattle using the longest running and most proven online auction system in Canada.

Call us to discuss this new and exciting option as well as all your marketing needs.
